Consider one of these crowd pleasers for your next event:

- » **Rock This Way Live** – Putting the “act” in interactive! The audience takes over the stage with the band and becomes part of the show. Incorporating karaoke music videos, DJ/VJ/percussion and all band instruments, live drummers, props and special effects and more that allows you to dance or just watch.
- » **Rock This Way Club** – A DJ/drummer combo. Less show, more music. Incorporates more ambient videos, and focused more on the music and dancing without the band. But just as much audience participation and visual stimulation if desired. This is a great option for groups looking for a more intimate meeting on a limited budget.
- » **Party Like a Rock Star/ Ambassador of Celebration** – Marvelless Mark with a DJ/VJ, karaoke, stilt walker, costumes, props and whatever it takes to guarantee a packed dance floor.
- » Don't forget **Marvelless Mark Party of One**, Flash Mobs, Char-Rockters, Ice Breakers, Jump Starts, Pep Rallies, Business Theater, Game Show Host, Roving Reporter, DJs/ VJs, Karaoke Host or just as interactive or atmospheric entertainment.

Live rock extravaganza meets MTV! It's the best of both worlds! Mark's Rock This Way Live engages all your attendee's senses and encourages them to rock out. Rock This Way Club is ideal for smaller groups or spaces, but still gets everyone rockin'!
