

Marvelless Mark works with organizations that want their teams to achieve immediate rock star results!

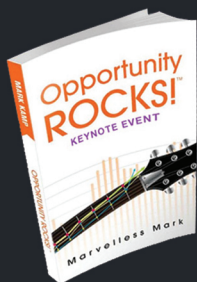

OPPORTUNITY ROCKS

RHYTHMS IN BUSINESS

Imagine your team fully energized, working together toward a common goal. Marvelless Mark will create a high-energy, interactive drumming experience (complete with drumsticks branded for your company) to build confidence, create unity and comradery among your employees, and promote teamwork within your organization in this brief customization teambuilding presentation.

You and your team will learn how to:

- To understand everyone's unique part in your "band" and how you can better harmonize together
- To use Mark's 3 Keys to Rock Star Teamwork
- To utilize best practices of winning, successful teams
- To develop a team that works together successfully
- To utilize the power of a positive rock star mindset
- Why Steve Jobs used The Beatles as his business model

Mark is the author of "Opportunity Rocks: Be a Rockstar in Business and Beyond" and has been featured in US Today, Small Business Trendsetters, Business Innovators and more.
