## OPPORTUNITY ROCKS

What does your business have in common with the business of rock n roll? Lots! From Jay-Z to Lady Gaga to The Grateful Dead, the world of rock abounds with great stories and great lessons for everyone's business. Opportunity Rocks shows how put the success secrets of real rock stars to work for you! Each presentation is customized to your business, and full of great

music, great energy and audience participation. At the end of Opportunity Rocks, your meeting will be a hit and your attendees will be ready to become business rock stars!

## RHYTHMS IN BUSINESS

Make some noise! Drumming is a great way to get people to focus on the same thing at the same time. Marvelless Mark's Rhythm in Business does just that. First, everyone receives a set of drumsticks customized to your event. Then, Marvelless Mark leads everyone in creating their own unique rhythms, while making important points about growing your business. Your attendees have a great time making their own music, and your key messages come through loud and clear. Rhythm in Business puts the "active" in "interactive!"
