SPECIAL ARRANGEMENTS/CLAUSES: All decorations, sets, props or other items supplied by Artist in connection with the event are to remain the Sole property of Artist. In the event any of these items are removed, damaged, or destroyed by persons other than Artist's employees, agents, or authorized personnel, a fee will be charged to Client for the cost of repair or replacement of those items.

- 1. Time Requirements:** It is understood that timing considerations are fluid and may adjust, as the Event Date gets closer. Artist requests that a finalized itinerary be sent to Mark@MMSpeaks.com at least 7 prior days of the Event, including but not limited to, the time allotted for his Presentation, all arrival/departure times, and any additional time you would request for classes and/or workshops. Upon receipt, Artist will have the opportunity to approve or adjust any of the times provided. If this notice is not provided within 7 days of the scheduled Event Time, Artist is only required to perform pursuant to the terms of this Agreement provided in Event Details.
- 2. Technical Requirements:** Artist requires the Event Location and/or Presentation Room supports laptop and/or tablet connectivity with 1-2 Big Screens/Projectors, LCD confidence video floor Monitors (min. 1 "50"). **PIP(picture in picture)** is requested *If using more than one screen, or they should be split so that one shows live IMAG of Mark and one shows his presentation slides. Due to audio and timing of the slides, this is important to receive the maximum effect of the performance.* Wireless clicker or slide advancer. Specifically, Artist requires that the laptop connectivity and display projector support Apple Products (i.e. Apple MacBook and/or Apple iPad). Artist will provide the necessary adapter for VGA / HDMI. One audio line (XLR to computer mini-jack) for computer audio playback. Also, mp3 audio tracks Or Mp4 video may be given to the sound technician for cued audio/video playback. **Presenter's laptop must be set on the stage due to the size and complexity of the presentation. With a separate audio and video line.**

Artist requires one (1) cordless, handheld microphone on a straight stand with backup batteries, and one (1) cordless belt pack that is compatible to the standard Shure 4-prong headset which Artist will provide his headset. In the event a cordless microphone is unavailable, Artist requires a corded microphone with at least 30 feet of cord.

Audio: Artist requires a suitable free standing sound system, on ground support or flown. **House Sound in the ceiling is not acceptable.** (We are talking Rock Concert Presentation here people.) (1) one to (2) audio floor monitors on stage. Either one in the center of stage or two positioned stage left and stage right.

Staging: Artist requires a minimum stage of 24x12 or 12x 8 depending of size of room located in the Front/Center of the General Session Ballroom. Artist will work with existing staging and will be as flexible as possible.

Audio Visual/Lighting/etc.: Artist will work with existing lighting on this event, which should include a lighting system focused to cover the working area of the stage in a bright stage wash, but not to wash out the video or projection screens.

We are excited to work with you and will be as flexible as possible to use your existing A/V equipment as long as we feel it will not jeopardize the integrity of the presentation or performance. **A sound check and rehearsal is required.** 30 minutes minimum. In the event certain technical requirements are unavailable, Artist requires a minimum of 14 days notice in order to make the necessary arrangements. Please no podiums center stage. We request 3 bottles of water and one (1) crew meal if a long day is in store.
